

Resource Recovery Order under Part 9, Clause 93 of the Protection of the Environment Operations (Waste) Regulation 2014

The Downer bituminous pavement order May 2024

Introduction

This order, issued by the Environment Protection Authority (EPA) under clause 93 of the Protection of the Environment Operations (Waste) Regulation 2014 (Waste Regulation), imposes the requirements that must be met by suppliers of Downer bituminous pavement to which 'the Downer bituminous pavement exemption May 2024' applies. The requirements in this order apply in relation to the supply of Downer bituminous pavement for application to land for road making or as a road maintenance material.

1. Waste to which this order applies

- 1.1 This order applies to Downer bituminous pavement.
- 1.2 Downer bituminous pavement means bituminous pavements that contain TonerPlas or Modified Toner Polymer (MTP) and which may also include reclaimed asphalt pavement that meets the requirements of *The reclaimed asphalt pavement order 2014*, recovered glass sand that meets the requirements of *The recovered glass sand order 2014*, and crumb rubber from tyres that meet the requirements of *The recovered tyres order 2014*. Downer bituminous pavement may contain up to 0.75% TonerPlas or up to 0.7% MTP for mixed asphalt pavements, and up to 0.15% MTP in sprayed seal pavements.

2. Persons to whom this order applies

- 2.1 The requirements in this order apply, as relevant, to Downer EDI Works Pty Ltd (ABN 66 008 709 608).
- 2.2 This order does not apply to the supply of Downer bituminous pavement to a consumer for land application at a premises for which the consumer holds a licence under the *Protection of the Environment Operations Act 1997* (POEO Act) that authorises the carrying out of the scheduled activities on the premises under clause 39 'waste disposal (application to land)' or clause 40 'waste disposal (thermal treatment)' of Schedule 1 of the POEO Act.

3. Duration

- 3.1 This order commences on 17 May 2024 and is valid until 16 May 2026 unless revoked by the EPA in writing at an earlier date.

4. Revocation

- 4.1 'The Downer bituminous pavement order November 2023' which commenced on 03 November 2023 is revoked from 5 May 2024.

5. Processor Requirements

The EPA imposes the following requirements on any processor who supplies Downer recovered bituminous pavement. The processor in this order is Downer EDI Works Pty Ltd.

General Requirements

- 5.1 On or before supplying Downer bituminous pavement, the processor must ensure that the Downer bituminous pavement (and constituent parts) meets the specifications given in the “*Reconophalt Internal Quality Management Process V3, October 2023*” attached in Appendix A of this order.

Notification

- 5.2 On or before each transaction, the processor must provide the following to each person to whom the processor supplies the Downer bituminous pavement:
- a written statement of compliance certifying that all the requirements set out in this order have been met;
 - a copy of the ‘*Downer bituminous pavement exemption May 2024*’ or a link to the Downer website where the ‘*Downer bituminous pavement exemption May 2024*’ can be found; and
 - a copy of the ‘*Downer bituminous pavement order May 2024*’ or a link to the Downer website where the ‘*Downer bituminous pavement order May 2024*’ can be found.

Record keeping and reporting

- 5.3 The processor must keep a written record of the following for a period of six years:
- the quantity of the Downer bituminous pavement supplied; and
 - the name and address of each person to whom the processor supplied the Downer bituminous pavement.
- 5.4 The processor must notify the EPA within seven days of becoming aware that it has not complied with any requirement in clause 5.1.

6. Definitions

In this order:

application or apply to land means applying to land by:

- spraying, spreading or depositing on the land; or
- ploughing, injecting or mixing into the land; or
- filling, raising, reclaiming or contouring the land.

asphalt is a solid material typically composed of sand, aggregates and similar materials bound together with bituminous and/or other similar binders.

consumer means a person who applies or intends to apply, Downer bituminous pavement to land.

Modified Toner Polymer (MTP) means a granulated material supplied by Close the Loop Pty Ltd (or its successors or assigns) containing:

- waste toner (post-consumer recycled toner powder), and
- waste oil (medium-grade engine oils and greases).

processor means a person who processes, mixes, blends, or otherwise incorporates TonerPlas or MTP into Downer bituminous pavement for supply to a consumer. The processor in this order is Downer EDI Works Pty Ltd (ABN – 66 008 709 608).

TonerPlas means a granulated product produced by Close the Loop Pty Ltd (ABN 79 095 769 752 26) at 6-20 Radford Rd, Reservoir VIC 3073 containing:

- waste toner (post-consumer recycled toner powder),
- waste oil (medium-grade engine oils and greases), and
- post-consumer plastic bags and packaging, being predominately low-density polyethylene (LDPE), with some high-density polyethylene (HDPE), polypropylene (PP) and a small amount of polyethylene terephthalate (PET).

transaction means:

- In the case of a one-off supply, the supply of a batch, truckload or stockpile of Downer bituminous pavement that is not repeated. In the case where the supplier has an arrangement with the recipient for more than one supply of Downer bituminous pavement the first supply of Downer bituminous pavement is required under the arrangement.

Notes

The EPA may amend or revoke this order at any time. It is the responsibility of each of the generator and processor to ensure it complies with all relevant requirements of the most current order.

In gazetting or otherwise issuing this order, the EPA is not in any way endorsing the supply or use of this substance or guaranteeing that the substance will confer benefit.

The conditions set out in this order are designed to minimise the risk of potential harm to the environment, human health or agriculture, although neither this order nor the accompanying exemption guarantee that the environment, human health or agriculture will not be harmed.

Any person or entity which supplies Downer bituminous pavement should assess whether the material is fit for the purpose the material is proposed to be used for, and whether this use may cause harm. The supplier may need to seek expert engineering or technical advice.

Regardless of any exemption or order provided by the EPA, the person who causes or permits the application of the substance to land must ensure that the action is lawful and consistent with any other legislative requirements including, if applicable, any development consent(s) for managing operations on the site(s).

The supply of Downer bituminous pavement remains subject to other relevant environmental regulations in the POEO Act and Waste Regulation. For example, a person who pollutes land (s. 142A) or water (s. 120), or causes air pollution through the emission of odours (s. 126), or does not meet the requirements for asbestos waste (s. 144AAB), regardless of this order, is guilty of an offence and subject to prosecution.

This order does not alter the requirements of any other relevant legislation that must be met in supplying this material, including for example, the need to prepare a Safety Data Sheet. Failure to comply with the conditions of this order constitutes an offence under clause 93 of the Waste Regulation.

Appendix A

Reconophalt Internal Quality Management Process – V3 October 2023

Resource Recovery Exemption under Part 9, Clauses 91 and 92 of the Protection of the Environment Operations (Waste) Regulation 2014

The Downer bituminous pavement exemption May 2024

Introduction

This exemption, issued by the Environment Protection Authority (EPA) under clauses 91 and 92 of the Protection of the Environment Operations (Waste) Regulation 2014 (Waste Regulation), exempts a consumer of Downer bituminous pavement from certain requirements in relation to the application of that waste to land, provided the consumer complies with the conditions of this exemption.

This exemption should be read in conjunction with *'the Downer bituminous pavement order May 2024'*. This exemption applies to Downer bituminous pavement that is, or is intended to be, applied to land for road making or as a road maintenance material.

1. Waste to which this exemption applies

- 1.1. This exemption applies to Downer bituminous pavement that is, or is intended to be, applied to land for road construction or road maintenance activities.
- 1.2. Downer bituminous pavement means bituminous pavements that contain TonerPlas or Modified Toner Polymer (MTP) and which may also include reclaimed asphalt pavement that meets the requirements of *The reclaimed asphalt pavement order 2014*, recovered glass sand that meets the requirements of *The recovered glass sand order 2014*, and crumb rubber from tyres that meets the requirements of *The recovered tyres order 2014*. Downer bituminous pavement may contain up to 0.75% TonerPlas or up to 0.7% MTP for mixed asphalt pavements, and up to 0.15% MTP in sprayed seal pavements.

2. Persons to whom this exemption applies

- 2.1. This exemption applies to any person who applies, or intends to apply, Downer bituminous pavement to land as set out in clause 1.1.

3. Duration

- 3.1. This exemption commences on 17 May 2024 and is valid until 16 May 2026 unless revoked by the EPA in writing at an earlier date.

4. Revocation

- 4.1 'The Downer bituminous pavement exemption November 2023' which commenced on 03 November 2023 is revoked from 5 May 2024.

5. Premises to which this exemption applies

- 5.1 This exemption applies to the premises at which the consumer's actual or intended application of Downer bituminous pavement is carried out.

6. Exemption

- 6.1. Subject to the conditions of this exemption, the EPA exempts each consumer from the following provisions of the *Protection of the Environment Operations Act 1997* (POEO Act) and the Waste Regulation in relation to the consumer's actual or intended application of Downer bituminous pavement to land when used for road making activities:
- section 48 of the POEO Act in respect of the scheduled activities described in clauses 39 and 42 of Schedule 1 of the POEO Act;
 - Part 4 of the Waste Regulation;
 - section 88 of the POEO Act; and
 - clause 109 and 110 of the Waste Regulation.
- 6.2. The exemption does not apply in circumstances where Downer bituminous pavement is received at the premises for which the consumer holds a licence under the POEO Act that authorises the carrying out of the scheduled activities on the premises under clause 39 'waste disposal (application to land)' or clause 40 'waste disposal (thermal treatment)' of Schedule 1 of the POEO Act.

7. Conditions of exemption

The exemption is subject to the following conditions:

- 7.1. At the time the Downer bituminous pavement is received at the premises, the material must meet all requirements for Downer bituminous pavement that are required on or before the supply of Downer bituminous pavement under *'the Downer bituminous pavement order May 2024'*.
- 7.2. The Downer bituminous pavement can only be applied to land in road construction and road maintenance activities. This approval permits the laying of bituminous pavements on private land, provided:
- 7.2.1. the Downer bituminous pavement is applied only to the minimum extent necessary for the road construction or road maintenance activity (this may, for example, include driveways, access routes and other such pavements), and
 - 7.2.2. the road provides access (temporary or permanent) to a development approved by a Council, or
 - 7.2.3. the works are either an exempt or complying development, or
 - 7.2.4. a development consent has been granted under the relevant Environmental Planning Instrument (EPI).
- 7.3. The consumer must keep a written record of the following for a period of six years:
- The quantity of any Downer bituminous pavement received; and
 - The name and address of the supplier of the Downer bituminous pavement received.
- 7.4. The consumer must make any records required to be kept under this exemption available to authorised officers of the EPA on request.
- 7.5. The consumer must ensure that any application of Downer bituminous pavement to land must occur within a reasonable period of time after its receipt.

8. Definitions

In this exemption:

application or apply to land means applying to land by:

- spraying, spreading or depositing on the land; or
- ploughing, injecting or mixing into the land; or
- filling, raising, reclaiming or contouring the land.

asphalt means a solid material typically composed of sand, aggregates and similar materials bound together with bituminous and/or other similar binders.

consumer means a person who applies, or intends to apply, Downer bituminous pavement to land.

Modified Toner Polymer (MTP) means a granulated material supplied by Close the Loop Pty Ltd (or its successors or assigns) containing:

- waste toner (post-consumer recycled toner powder), and
- waste oil (medium grade engine oils and greases).

processor means a person who processes, mixes, blends, or otherwise incorporates Tonerplas or MTP into Downer bituminous pavement for supply to a consumer. The processor in this order is Downer EDI Works Pty Ltd (ABN: 66 008 709 608).

Tonerplas means a granulated product produced by Close the Loop Pty Ltd (ABN 79 095 769 752 26) at 6-20 Radford Rd, Reservoir VIC 3073 containing:

- waste toner (post-consumer recycled toner powder),
- waste oil (medium grade engine oils and greases), and
- post-consumer plastic bags and packaging, being predominately low-density polyethylene (LDPE), with some high-density polyethylene (HDPE), polypropylene (PP) and small amount of polyethylene terephthalate (PET).

Notes

The EPA may amend or revoke this exemption at any time. It is the responsibility of the consumer to ensure they comply with all relevant requirements of the most current exemption. The current version of this exemption will be available on www.epa.nsw.gov.au

In gazetting or otherwise issuing this exemption, the EPA is not in any way endorsing the use of this substance or guaranteeing that the substance will confer benefit.

The conditions set out in this exemption are designed to minimise the risk of potential harm to the environment, human health or agriculture, although neither this exemption nor the accompanying order guarantee that the environment, human health or agriculture will not be harmed.

The consumer should assess whether or not the Downer bituminous pavement is fit for the purpose the material is proposed to be used for, and whether this use will cause harm. The consumer may need to seek expert engineering or technical advice.

Regardless of any exemption provided by the EPA, the person who causes or permits the application of the substance to land must ensure that the action is lawful and consistent with any other legislative requirements including, if applicable, any development consent(s) for managing operations on the site(s).

The receipt of Downer bituminous pavement remains subject to other relevant environmental regulations in the POEO Act and the Waste Regulation. For example, a person who pollutes land (s. 142A) or water (s. 120), or causes air pollution through the emission of odours (s. 126), or does not meet the requirements for asbestos waste (s. 144AAB), regardless of having an exemption, is guilty of an offence and subject to prosecution.

This exemption does not alter the requirements of any other relevant legislation that must be met in utilising this material, including for example, the need to prepare a Safety Data Sheet (SDS).

Failure to comply with the conditions of this exemption constitutes an offence under clause 91 of the Waste Regulation.
