DEAR SHAREHOLDER,

I am pleased to invite you to Downer's 2016 Annual General Meeting (**AGM**) to be held at 11.00am on 3 November 2016 at the Sofitel Sydney Wentworth. The meeting will also be webcast live on the Downer website.

Downer's AGM is the occasion where Shareholders vote on a number of important resolutions, which are outlined in this Notice of Meeting. It also provides Shareholders with the opportunity to meet the Board, hear from the Managing Director & CEO and ask questions.

ELECTION AND RE-ELECTION OF DIRECTORS

The first item of business seeks approval for the election of our new Director, Ms Teresa Handicott, to the Board as well as for the re-election of Ms Annabelle Chaplain and Dr Grant Thorne.

Ms Handicott joined the Board in September. With a commercial background and previous leadership role as Chairman of a large national law firm Ms Handicott will be a valuable addition to the Board.

Ms Chaplain joined the Board in 2008 and is currently Chair of the Audit & Risk Committee. Dr Thorne joined the Board in 2010 and is currently Chair of the Tender Risk Evaluation Committee, having previously served as Chair of the Zero Harm Committee. Both Directors have been strong contributors to the Board.

REMUNERATION REPORT AND PERFORMANCE RIGHTS

These resolutions seek approval of the Remuneration Report and the grant of performance rights to the Managing Director as part of his 2017 financial year remuneration. The Board has been working hard over many years to ensure that executive pay is appropriate and aligned with the outcomes of the business.

RENEWAL OF PROPORTIONAL TAKEOVER APPROVAL PROVISIONS

Downer's constitution was amended in 2010 to include a proportional takeover approval provision. The purpose of this provision is to give Shareholders the opportunity to decide whether any proportional takeover bid for the company should succeed. As outlined in the Notice of Meeting, this item was last voted on by Shareholders and approved in 2013.

RETIREMENT OF LONG STANDING DIRECTOR

Following many years of service, John Humphrey will retire at the AGM. Mr Humphrey has been a Non-executive Director of Downer since April 2001 and has made an enormous contribution over the past 15 years.

I thank him sincerely for his long and dedicated service.

Yours sincerely,

2. ELECTION OF DIRECTORS

To consider and, if thought fit, pass the following ordinary resolutions:

- "That Ms T G Handicott, who was appointed as a Non-executive Independent Director of the Company effective 21 September 2016 in accordance with Rule 3.3 of the Company's Constitution and being eligible, is elected as a Non-executive Director of Downer."
- "That Ms S A Chaplain, who was appointed as a Non-executive Director of the Company on 1 July 2008 and in accordance with Rule 3.6 of the Company's Constitution and being eligible, offers herself for re-election, is elected as a Non-executive Director of Downer."
- "That Dr C G Thorne, who was appointed as a Non-executive Director of the Company on 1 July 2010 and in accordance with Rule 3.6 of the Company's Constitution and being eligible, offers himself for re-election, is elected as a Non-executive Director of Downer."

3. ADOPTION OF REMUNERATION REPORT

To consider, and if thought fit, pass the following ordinary resolution:

"That the Remuneration Report for the year ended 30 June 2016 be adopted."

Notes:

- This resolution is advisory only and does not bind Downer or the Directors.
- The Directors will consider the outcome of the vote and comments made by shareholders on the Remuneration Report at the meeting when reviewing Downer's remuneration policies.

If 25% or more of votes that are cast are voted against this resolution, shareholders will be required to vote at this meeting on a further resolution outlined at Item 6 (Spill Resolution) that another meeting be held within 90 days at which all of Downer's Directors (other than the Managing Director) must stand for re-election.

A vote on this resolution must not be cast by or on behalf of a member of the key management personnel (KMP), details of whose remuneration are included in the Remuneration Report, or by any of their closely related parties (such as certain of their family members, dependants and companies they control).

However, this does not prevent those KMP or any of their closely related parties from voting as a proxy for a person who is not a member of the KMP or a closely related party if:

- The person specifies the way the proxy is to vote on this resolution in the proxy form; or
- The person voting as a proxy is the Chairman and the proxy form expressly authorises the Chairman to exercise the proxy even if the resolution is directly or indirectly connected with the remuneration of a member of the KMP for the Downer Group.

4. APPROVAL OF MANAGING DIRECTOR'S LONG TERM INCENTIVE ('LTI')

To consider and, if thought fit, pass the following ordinary resolution:

"That approval is given to the grant of performance rights pursuant to the Company's LTI Plan and the acquisition of shares on vesting by issue or by transfer as the Managing Director's long term incentive for 2017 on the basis described in the Explanatory Memorandum to this Notice of Meeting."

A member of the KMP for the Downer Group and their closely related parties must not vote as proxy on this resolution unless the proxy appointment specifies the way the proxy is to vote on the resolution. However, the Chairman of the meeting may vote an undirected proxy if the proxy appointment expressly authorises the Chairman to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of a member of the KMP for the Downer Group.

5. RENEWAL OF PROPORTIONAL TAKEOVER APPROVAL PROVISIONS

To consider and, if thought fit, pass the following resolution as a special resolution:

"That the Company modify its Constitution by renewing clause 37 which contains proportional takeover approval provisions for the purposes of section 648D of the *Corporations Act 2001* (Cth), with effect from the close of the meeting."

CONTINGENT BUSINESS

6. SPILL RESOLUTION (CONTINGENT ITEM)

Item 6 – (the Spill resolution) – is to be put to this AGM only if at least 25% of the votes cast at this AGM on Item 3 (Adoption of Remuneration Report) above are against the adoption of the 2016 Remuneration Report.

To consider and, if thought fit, pass the following resolution as an ordinary resolution:

"That:

- Within 90 days of the date of this resolution another meeting of shareholders (Spill Meeting) be held;
- Those Directors of the Company prescribed by section 250V(1) (b) of the *Corporations Act 2001* (Cth) will cease to hold office immediately prior to the end of the Spill Meeting; and
- Resolutions to appoint persons to fill those vacancies be put at the Spill Meeting."

A vote on this resolution must not be cast by or on behalf of a member of the key management personnel (KMP), details of whose remuneration are included in the Remuneration Report, or by any of their closely related parties (such as certain of their family members, dependants and companies they control). However, this does not prevent those KMP or any of their closely related parties from voting as a proxy for a person who is not a member of the KMP or a closely related party if:

- The person specifies the way the proxy is to vote on this resolution in the proxy form; or
- The person voting as a proxy is the Chairman and the proxy form expressly authorises the Chairman to exercise the proxy even if the resolution is directly or indirectly connected with the remuneration of a member of the KMP for the Downer Group.

ITEM 3

ADOPTION OF REMUNERATION REPORT

The Remuneration Report is contained in the Directors' Report in the 2016 Annual Report. Shareholders can access a copy of the report at the Downer website, www.downergroup.com.

The Remuneration Report provides information about the remuneration arrangements for KMP, which includes Non-executive Directors and the most senior executives, for the year to 30 June 2016.

The Remuneration Report covers the following matters:

- Year in review;
- Details of Key Management Personnel;
- Remuneration policy, principles and practices;
- Relationship between remuneration policy and company performance;
- The Board's role in remuneration;
- Description of executive remuneration;
- Details of executive remuneration;
- Executive equity ownership;
- Key terms of employment contracts;
- Prior equity-based remuneration plans;
- Related party information; and
- Description of Non-executive Director remuneration.

Shareholders will be given a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report. Shareholders will be asked to vote on the Remuneration Report.

The resolution is advisory only and does not bind Downer or its Directors. The Board will consider the outcome of the vote and comments made by shareholders on the Remuneration Report at the meeting when reviewing Downer's remuneration policies.

Under the Corporations Act, if at least 25% of the votes cast on the resolution are against the adoption of the relevant Remuneration Report at two consecutive Annual General Meetings (each an "AGM", and any such potential 25% or more vote 'against' commonly referred to as a "first strike" or "second strike"), shareholders will be required to vote at the second of those AGMs on a resolution that another general meeting be held within 90 days, at which all of the Company's Directors in office at the time of the Directors' resolution to make the Directors' Report containing that second Remuneration Report (other than the Managing Director) must stand for re-election.

At last year's AGM the resolution to adopt the 2015 Remuneration Report was carried with 73.1% of votes cast for the Remuneration Report. As more than 25% of the votes cast on that resolution were against, the vote constituted a "first strike".

The 2016 Remuneration Report addresses the concerns of shareholders raised via the "first strike" at last year's AGM.

If at least 25% of the votes cast on the resolution in Item 3 (that the 2016 Remuneration Report be adopted) are against the adoption of the 2016 Remuneration Report, then this would constitute a "second strike" and, as then required by the Corporations Act, a Spill resolution, as set out in Item 6, will be put and voted on at this AGM.

Board recommendation

The Directors unanimously recommend that shareholders vote in favour of Item 3 (Adoption of Remuneration Report).

Voting exclusions

A vote on Item 3 (Adoption of Remuneration Report) must not be cast by or on behalf of a member of the KMP or by any of their closely related parties (such as certain of their family members, dependants and companies they control).

However, this does not prevent a member of the KMP, details of whose remuneration are included in the Remuneration Report, or any of their closely related parties from voting as a proxy for a person who is not a member of those KMP or any of their closely related parties if:

- The person specifies the way the proxy is to vote on Item 3 (Adoption of Remuneration Report) in the proxy form; or
- The person voting as a proxy is the Chairman and the proxy form expressly authorises the Chairman to exercise the proxy even if the resolution is directly or indirectly connected with the remuneration of a member of the KMP for the Downer Group.

If you choose to appoint a proxy, you are strongly encouraged to direct your proxy how to vote on Item 3 (Adoption of Remuneration Report) by marking any one of "For", "Against" or "Abstain" on the proxy form for that item of business. As set out in the section on Appointing a proxy, if you have appointed the Chairman of the meeting as your proxy and you do not mark any of "For", "Against" or "Abstain" on the proxy form, you will be expressly authorising the Chairman to vote any proxies held by him in favour of Item 3 (Adoption of Remuneration Report), even if that item is connected directly or indirectly with the remuneration of a member of the KMP for the Downer Group.

The Chairman of the meeting intends to vote any undirected proxies held by him in favour of Item 3 (Adoption of Remuneration Report).

ITEM 4

APPROVAL OF MANAGING DIRECTOR’S LONG TERM INCENTIVE

It is proposed to grant the Managing Director performance rights in Downer as the Managing Director’s 2017 long term incentive plan (2017 LTIP) on the terms set out below (2017 Grant) and to seek approval for that grant under ASX Listing Rule 10.14. If approval is granted under ASX Listing Rule 10.14, the Company will be permitted to issue ordinary shares in the Company to Mr Fenn in satisfaction of its obligations under those performance rights if and when they vest.

PROPOSED LONG TERM INCENTIVE FOR THE MANAGING DIRECTOR FOR 2016

As a senior executive, Mr Grant Fenn has participated in Downer’s long term incentive plans (LTIPs) since 2009 and in his capacity as Managing Director, since July 2010.

Under his employment agreement with Downer as Managing Director, Mr Fenn is entitled to be granted performance rights each year with a maximum value equal to 100% of his annual fixed remuneration. The performance rights are subject to long term performance requirements, and therefore only vest to Mr Fenn if those performance requirements are met. In the event that the resolution is not passed by shareholders, the Board intends to provide an LTIP equivalent through an alternative mechanism in order to meet Mr Fenn’s contractual entitlements.

In accordance with Downer’s contractual commitments, it is proposed to grant Mr Fenn performance rights with a maximum value of 100% of his annual fixed remuneration at the time of grant as his 2017 Grant. Mr Fenn’s current fixed remuneration is \$2,000,000. The grant will be in the form of performance rights which are a right to receive fully paid Downer ordinary shares which may be purchased on-market or issued by the Company.

Dividends will be paid or accumulated only from the time the performance rights vest.

ENTITLEMENT UNDER THE 2017 GRANT

Mr Fenn will receive a grant on the same terms and at the same time as other eligible employees.

Subject to shareholder approval being obtained, the maximum number of performance rights granted to Mr Fenn will be 475,026. This quantity was calculated as his annual fixed remuneration of \$2,000,000 divided by \$4,2103 being the daily average of the volume weighted average price of Downer shares for the 10 trading days following the release of Downer’s results for the year ended 30 June 2016, adjusted for the estimated value of dividends during the vesting period that do not attach to the rights. Each performance right will convert to one ordinary share once all vesting conditions are met.

If shareholders approve the proposed resolution in Item 4 (Approval of Managing Director’s long term incentive), the 2017 Grant will be made prior to the 2017 Annual General Meeting.

Details of any securities issued under the Company’s LTI Plan will be published in each annual report of the Company relating to a period in which securities have been issued, and that approval for the issue of securities was obtained under ASX Listing Rule 10.14. Any additional persons referred to in ASX Listing Rule 10.14 who become entitled to participate in the Company’s LTI Plan after the resolution is approved and who are not named in this Notice of Meeting and Explanatory Memorandum will not participate until approval is obtained under ASX Listing Rule 10.14.

PRICE ON GRANT OR VESTING

No amount is payable by the Managing Director on grant or vesting of the performance rights.

VESTING CONDITIONS

Vesting of performance rights granted under the 2017 LTIP will be subject to:

- Meeting certain performance hurdles over a specified period; and
- Continued employment with Downer over a period determined by the Board (service period).

Mr Fenn’s proposed 2017 Grant will be divided into three equal tranches subject to the following performance hurdles:

- Relative total shareholder return (TSR);
- Compound annual earnings per share growth (EPS); and
- Net profit after tax (NPAT) and free cash flow (FFO) (Scorecard).

TSR is calculated as the difference in share price over the performance period, plus the value of shares earned from reinvesting dividends received over this period, expressed as a percentage of the share price at the beginning of the performance period. If the TSR for each company in the comparator group (see below) is ranked from highest to lowest, the median TSR is the percentage return to shareholders that exceeds the TSR for half of the comparison companies. The 75th percentile TSR is the percentage return required to exceed the TSR for 75 per cent of the comparison companies.

Performance rights in the tranche to which the relative TSR performance requirement applies vest in accordance with the following table:

Downer’s TSR ranking against the comparator group	% of performance rights subject to the relative TSR
< 50th percentile	Nil
50th percentile	30%
Above 50th and below 75th percentile	Straight line so that a further 2.8% of the performance rights in the tranche will vest for every 1% increase between the 50th percentile and 75th percentile
75th percentile and above	100%

The comparator group for the 2017 LTI grant is the companies, excluding financial services companies, in the ASX100 index as at the start of the performance period on 1 July 2016.

Earnings per Share (EPS) growth is measured over the three year performance period to 30 July 2019. The EPS measure is based on AASB 133 *Earnings per Share* and is externally audited.

The tranche of shares dependent on the EPS performance condition vests pro rata between five percent compound annual EPS growth and 10 percent compound annual EPS growth.

Performance rights in the tranche to which the EPS performance requirement applies vest in accordance with the following table:

Downer's EPS compound annual growth	% of performance rights subject to EPS condition that qualify to vest
< 5%	Nil
5%	30%
Above 5% and below 10%	Straight line so that a further 14% of the performance rights in the tranche will vest for every 1% increase in EPS growth between 5% and 10%
10% or more	100%

The Scorecard condition will be comprised of two independent absolute components of equal weighting. These components will be based on Group NPAT and Group FFO. FFO is defined as net cash flow from operating activities less investing cash flow.

The performance of each component will be measured over the three year period to 30 June 2019.

NPAT and FFO targets will be set at the beginning of each of the three financial years. The performance of each component will be assessed each year relative to the targets. Performance of each component will be determined as the average of the annual performance assessments for the three years.

Performance rights in the tranche to which the Scorecard performance requirement applies vest in accordance with the following table:

Scorecard result	% of performance rights subject to Scorecard condition that qualify to vest
< 90%	Nil
90%	30%
Above 90% and below 110%	Straight line so that a further 3.5% of the performance rights in the tranche will vest for every 1% increase between 90% and 110%
110% or more	100%

Once some or all of the performance rights have met the vesting conditions, the performance rights will not vest unless the Board is satisfied there has been no conduct on the part of Mr Fenn that the Board considers inappropriate and that the financial results against which the performance vesting condition were tested were not incorrect in a material respect and were not reversed or restated.

PERFORMANCE PERIOD

The performance period for the 2017 Grant will be the three years from 1 July 2016 to 30 June 2019 and the service period will end on 30 June 2020.

CHANGE OF CONTROL

Under the 2017 LTIP, if there is a change in control of Downer during the performance period, provided at least 12 months of the 2016 Grant's performance period have elapsed, unvested performance rights pro-rated with the elapsed performance period are tested for vesting with performance against the relevant performance hurdles for that period.

Performance rights that have already been tested and have met performance requirements but remain subject to the completion of the service period condition will fully vest.

Neither unvested pro-rated performance rights nor performance rights that have already been tested and met performance requirements will vest unless the Board is satisfied that there has been no conduct on the part of Mr Fenn that the Board considers inappropriate and that the financial results against which the performance hurdles were tested were not incorrect in a material respect and were not reversed or restated.

CESSATION OF EMPLOYMENT

Upon cessation of employment of the Managing Director for any reason, all performance rights that have not vested by the cessation of employment will be forfeited unless, subject to the termination benefit provisions of the Corporations Act, the Board exercises its discretion to permit the Managing Director to retain performance rights by deeming him to be an "Eligible Leaver". If Mr Fenn is deemed to be an Eligible Leaver, he may be entitled to retain some or all of his performance rights and these will be tested for vesting against the Vesting Conditions other than the Continued Employment Condition in their normal course. An Eligible Leaver's performance rights will be settled with fully paid Downer ordinary shares or in cash in the Board's sole and absolute discretion. No performance rights will vest unless the Board is satisfied that there has been no conduct on the part of Mr Fenn that the Board considers inappropriate and that the financial results against which the performance hurdles were tested were not incorrect in a material respect and were not reversed or restated.

OTHER INFORMATION

- Mr Fenn is the only director of the Company who is entitled to participate in the Company's LTI Plan;
- No loan is being made to Mr Fenn in relation to the acquisition of performance rights;
- In accordance with the approval of shareholders at the 2015 Annual General Meeting, for Mr Fenn's 2015 LTIP, Mr Fenn was granted 678,702 performance rights. This quantity was calculated as 100% of his annual fixed remuneration of \$2,000,000 divided by \$2.9468, being the daily average of the volume weighted average price of Downer shares for the 10 trading days following the release of Downer's results for the year ended 30 June 2015, adjusted for the estimated value of dividends during the vesting period that do not attach to the rights.

Board recommendation

In the view of the Non-executive Directors, it is in the best interests of shareholders to approve the performance right-based 2017 long term incentive grant to the Managing Director because it appropriately aligns the Managing Director's remuneration with shareholder returns. Your Directors (in the absence of the Managing Director) therefore recommend shareholders approve the 2017 Grant and the Managing Director's participation in the 2017 LTIP.

Voting exclusions

The Company will disregard any votes cast on Item 4 by:

- Mr Fenn; and
- Associates of Mr Fenn.

However the Company need not disregard a vote if:

- It is cast by a person as proxy for a person who is entitled to vote, in accordance with the directions on the proxy form; or
- It is cast by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

Shareholders should note that apart from Mr Fenn no Director is eligible to participate in any employee incentive scheme in relation to the Company.

If you choose to appoint a proxy, you are strongly encouraged to direct your proxy how to vote on Item 4 (Approval of Managing Director's long term incentive plan for 2017) by marking any one of "For", "Against" or "Abstain" on the proxy form for that item of business. As set out in the section on Appointing a proxy, if you have appointed the Chairman of the meeting as your proxy and you do not mark any of "For", "Against" or "Abstain" on the proxy form, you will be expressly authorising the Chairman to vote any proxies held by him in favour of Item 4 (Approval of Managing Director's long term incentive plan for 2017) even if that item is connected directly or indirectly with the remuneration of a member of KMP for the Downer Group.

The Chairman of the meeting intends to vote any undirected proxies held by him in favour of Item 4 (Approval of Managing Director's long term incentive plan for 2017).

ITEM 5

RENEWAL OF PROPORTIONAL TAKEOVER APPROVAL PROVISIONS

Under the Corporations Act, a company may include provisions in its constitution to enable it to refuse to register shares acquired under a proportional takeover bid unless a resolution approving the bid is passed by the shareholders.

Proportional takeover approval provisions are contained in rule 37 of the Company's existing Constitution which was approved by shareholders at the Annual General Meeting on 3 November 2010. However, rule 37 will be automatically omitted from the Company's Constitution on 6 November 2016, the third anniversary of the provision's most recent approval by the shareholders on 6 November 2013.

Rule 37 of the existing Constitution includes provisions requiring shareholder approval of a proportional takeover bid. If the re-insertion of the proportional takeover approval provisions is approved, these provisions will have effect for a further three years. The Board considers it in the interests of shareholders to renew these provisions into the Constitution.

Where the approval of shareholders is sought to renew proportional takeover provisions in a constitution, the Corporations Act requires certain information to be included in the notice of meeting. That information is set out below.

PROPORTIONAL TAKEOVER BID

A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.

EFFECT OF THE PROVISIONS PROPOSED TO BE RENEWED

If a proportional takeover bid is made, the Directors must ensure that a resolution of shareholders to approve the takeover bid is voted on, in general, more than 14 days before the last day of the bid period. The vote is decided on a simple majority and each person (other than the bidder and their associates) who, as at the end of the day on which the first offer under the bid was made, held bid class securities, is entitled to vote. If the resolution is not passed, transfers giving effect to takeover contracts for the bid will not be registered and the offer will be taken to have been withdrawn. If the resolution is not voted on, the bid will be taken to have been approved.

If the bid is approved (or taken to have been approved), the transfers must be registered (provided they comply with other provisions of the Corporations Act and the Constitution).

The proportional takeover approval provisions do not apply to full takeover bids and will only apply until three years after the date of renewal. The provisions may be renewed for a further term, but only by a special resolution of shareholders.

REASONS FOR THE PROPOSAL

The Board considers that shareholders should have the opportunity to renew the proportional takeover approval provisions. Without these provisions, a bidder might be able to obtain control of the Company using a proportional takeover bid without shareholders having the opportunity to sell all their shares, potentially leaving existing shareholders locked into a minority position in the Company.

The proportional takeover approval provisions give shareholders the opportunity to decide whether a proportional takeover bid should proceed. If it does proceed, individual shareholders can make a separate decision as to whether they wish to accept the proportional offer for their shares.

KNOWLEDGE OF ANY ACQUISITION PROPOSALS

As at the date of this notice of meeting, none of the Directors is aware of any proposal by a person to acquire, or to increase the extent of, a substantial interest in the Company.

POTENTIAL ADVANTAGES AND DISADVANTAGES

Potential advantages

The potential advantages for shareholders of the proportional takeover provisions include:

- a) Shareholders have the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;
- b) They may help shareholders to avoid being locked in as a minority;
- c) They increase shareholders' bargaining power and may assist in ensuring that any proportional takeover bid is adequately priced; and
- d) Knowing the view of the majority of shareholders may help each individual shareholder assess the likely outcome of the proportional takeover bid and decide whether to accept or reject an offer under the bid.

Potential disadvantages

It may be argued that the proportional takeover approval provisions make a proportional takeover bid more difficult to achieve which may have the effect of discouraging proportional takeover bids. This in turn may possibly reduce opportunities for shareholders to sell some of their shares at an attractive price to persons seeking to secure control of the Company and may reduce an element of takeover speculation from the Company's share price, although this effect may be negligible as proportional takeover bids are less common today than they have been in the past. It may also be argued that the provisions constitute a potential restriction on the ability of shareholders to deal freely with their shares.

Since the existing Constitution was adopted, there have been no full or proportional takeover bids for the Company. Therefore there has been no example against which to review the advantages or disadvantages of the provisions for the Board and shareholders respectively, however, the Board is not aware of any potential takeover bid that was discouraged by these provisions.

The Board does not believe the potential disadvantages outweigh the potential advantages of re-adopting the proportional takeover approval provisions in the Constitution.

Renewing the proportional takeover approval provisions in the Constitution will not confer any particular advantages or disadvantages on the Directors in their capacity as Directors of the Company. The Directors therefore consider that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

Board recommendation

The Directors unanimously recommend that shareholders vote in favour of this resolution. The Chairman of the meeting intends to vote any undirected proxies held by him in favour of Item 5 (Renewal of Proportional Takeover Approval Provisions).

ITEM 6

SPILL RESOLUTION (CONTINGENT ITEM)

Item 6 – (the Spill resolution) – is to be put to this AGM only if at least 25% of the votes cast at this AGM on the resolution at Item 3 above (Adoption of the 2016 Remuneration Report) are against the passing of that resolution.

The Spill resolution in Item 6 will only be put to this AGM if at least 25% of the votes cast at this AGM on the resolution to adopt the 2016 Remuneration Report (Item 3 above) are against that resolution.

If less than 25% of the votes cast at this AGM are against Item 3, then the Spill resolution in Item 6 will not be put to this AGM.

If the Spill resolution in Item 6 is validly carried, that is, at least 50% of the eligible votes cast on the Spill resolution at this AGM are in favour, then the Corporations Act requires, in the circumstances of the Company, that:

- a) The Directors must convene another meeting of shareholders – (the Spill Meeting) – to be held within 90 days of this AGM; and
- b) All the Company's Directors other than the Managing Director as at the date of the resolution to make the 2016 Directors' Report was passed automatically cease to hold office (that is, cease to be Directors of the Company) immediately before the end of the Spill Meeting; and
- c) Resolutions to appoint persons to the offices that will be vacated be put to the vote at the Spill Meeting.

If the Spill resolution at Item 6 is not validly carried, then the Board as at the conclusion of this AGM will remain in place.

The Spill Meeting is effectively a special meeting of shareholders at which all the positions of Director (other than the Managing Director) are open for election by shareholders.

If the Spill resolution is passed, then the Company must give at least 28 days' notice of the Spill Meeting. Nominations for Director appointments at the Spill Meeting may be made in accordance with the Constitution of the Company.

Board recommendation

The Directors unanimously recommend that shareholders vote **against** this Spill resolution. The Chairman of the meeting intends to vote all available proxies against Item 6.

Voting exclusions

A vote on this resolution must not be cast by or on behalf of a member of the key management personnel (KMP), details of whose remuneration are included in the Remuneration Report, or by any of their closely related parties (such as certain of their family members, dependants and companies they control). However, this does not prevent those KMP or any of their closely related parties from voting as a proxy for a person who is not a member of the KMP or a closely related party if:

- The person specifies the way the proxy is to vote on this resolution in the proxy form; or
- The person voting as a proxy is the Chairman and the proxy form expressly authorises the Chairman to exercise the proxy even if the resolution is directly or indirectly connected with the remuneration of a member of the KMP for the Downer Group.
